गुणवत्ता के पंख,
हौसलों की उड़ान।

Shaping Young Professionals into Architects of Viksit Bharat!

Gunvatta Gurukul is where India's future takes shape. A transformative initiative by the Quality Council of India, it goes beyond skill-building to nurture a generation of young leaders who will champion the nation's quality movement. Through this groundbreaking initiative, young Indians are forged into Quality Ambassadors, armed with cutting-edge skills, rooted in timeless values, and driven by transformative vision. It's where learning becomes leadership, training becomes purpose, and youth become the catalysts India needs for Viksit Bharat.

Where Young

dreamers turn
into the
changemakers
of tomorrow

India currently boasts the world's largest working-age population, projected to reach 68.9% of its total population by 2030. With boundless youthful energy and an insatiable hunger for knowledge, India is uniquely positioned to harness its greatest asset: its people.

Gunvatta Gurukul, an initiative by the Quality Council of India, is a comprehensive classroom-based training, field exposure programme designed to nurture a new generation of skilled professionals who will serve as Quality Ambassadors for the nation. Aligned with Hon'ble Prime Minister Shri Narendra Modi's vision of Viksit Bharat @2047, the programme empowers young Indians to become catalysts of national progress.

By seamlessly integrating modern training methodologies with cutting-edge technology and timeless traditional wisdom, the programme offers an enriching blend of behavioural and technical modules. Gunvatta Gurukul is designed for individuals who aspire to contribute meaningfully to nation-building, transforming ambition into expertise and passion into purpose.
